

## Vancouver Addiction Services

Free and confidential services are located at various VCH health care sites. Sites may offer a range of services for youth/young adults aged 24 and under, adults and older adults and are welcoming spaces for lesbian, gay, bi, trans\*, Two-Spirit, queer/questioning (LGBT2Q+) and Aboriginal communities:

- Assessment and referral
- Detoxification (out-patient, in-patient)
- Education and information
- Group and individual counselling
- Harm reduction services and supplies
- Opiate replacement (methadone, etc.)
- Smoking cessation

To access services contact the nearest VCH health care site to book an appointment.
