Substance Use Services

Free and confidential services are located at various VCH health care sites. Sites may offer a range of services for youth/young adults aged 24 and under, adults and older adults (65+), and are welcoming spaces for lesbian, gay, bi, trans, intersex, queer & questioning, Two-Spirit (LGBTIQ2+) and Indigenous communities:

- Assessment and referrals
- Help for detoxification
- Education and information
- Group and individual counselling
- Harm reduction services and supplies
- Opiate Agonist Treatment (methadone, suboxone, naloxone)
- Smoking cessation
- Acupuncture & alternate therapies

To access services contact the nearest VCH health care site to connect.
