Vancouver Public Health Children's Dental Program

Is Your Child Eligible For This Service?

Who is eligible for the Vancouver Public Health Children's Dental Program?

Children living in the City of Vancouver

- All children under 36 months
- Eligible children grade 7 and under
- Students up to grade 12 with a dental emergency

Some charges may apply

What steps do families follow to see if their children are eligible?

1. Fill out the Public Health Dental Program Patient Eligibility Application Form

You can download the form from www.vch.ca/VancouverDentalHealth

2. E-mail (dentalhealth@vch.ca), fax, mail or drop off the forms in person at our clinic (see Our location)

What happens after I give my information to the clinic?

- We will contact you after your application is reviewed
- If you qualify, your child will be offered an appointment for dental services

What if you do not qualify?

- For information on other dental services see **Dental Services for Children in the City of Vancouver** on www.vch.ca/VancouverDentalHealth

How often is eligibility reviewed?

- You will need to reapply every year

What dental work is offered?

- The dental clinic provides check ups, x-rays, cleanings, fluoride, sealants, fillings, extractions, root canals on baby teeth and limited sedation

What dental work is not offered?

- The clinic does not do orthodontics, space maintenance or adult dentistry

Who does the dental work?

Licensed Dentists and Certified Dental Assistants
